

Merthyr Tydfil Camera Club

Club Membership 2026 season

1. Membership

1.1 Eligibility:

Membership shall be open to any person who supports the aims and objectives of the Club, subject to any reasonable membership arrangements established by the Committee.

The Club shall try to operate in an inclusive and accessible manner and shall not unlawfully discriminate against any person.

1.2 Admission:

Applications for membership shall be considered in accordance with procedures established by the Committee.

The Committee may refuse an application where there are reasonable grounds for doing so, provided that such decisions are made fairly and consistently.

1.3 Membership Fees:

The Club may charge an annual or other membership fee.

The level of any membership fee shall be determined by the membership at a General Meeting or, where authority has been delegated, by the Committee.

The Committee may establish reduced or waived fees where appropriate to ensure that financial circumstances do not unnecessarily prevent participation.

Various payment plans can be agreed with the Treasurer's to suit the member's circumstances, but should a member become in arrears or fail to meet two payments within the agreed payment plan, the member will be said to be a 'Lapsed Member' and will no longer have the benefits of membership such as voting, entering internal or external competitions.

1.4 Termination of Membership:

A member may resign at any time by notifying the Secretary.

Membership may be suspended or terminated where a member seriously breaches this Constitution or behaves in a manner that is materially detrimental to the Club.

Before membership is terminated, the member should normally be informed of the reason and given a reasonable opportunity to respond.

A member shall have the right to appeal a decision to terminate membership in accordance with procedures determined by the Committee.
